

# International Brain Research Foundation

## Martial Arts Xtreme Challenge Fundraiser

### PRESS RELEASE

Now you! the press, can cover an event that has great value to the lives of those who our fighting for our freedom, help promote an event that helps those young soldiers who need our help to live a better life. We,the martial art community! Are going to play an important role in their recovery and rehabilitation. So help us make a difference, and cover this great cause Now!

This is the **FIRST Nationwide Fundraiser** with a focus on accelerating research of **Severe Disorders of Consciousness (SDOC)**. With a tie in to the urgent and immediate military relevance and the celebration of the Memorial Day holiday.

There has never been a fundraiser for any issue or topic of such global importance and proportions as this one. This event will help our men and women in the armed forces who have suffered from Traumatic Brain Injury (TBI) and Post-Traumatic Stress Disorder (PTSD) seek help from the International Brain Research Foundation for our **WOUNDED WARRIORS**.

We as Martial Artist and Americans will step up to the plate to help this great cause.

Fundraiser will be held at:
